muth1438 May Allah destroy this taghut. His last words to me were God bless America. We will never speak again and if you die upon this we will be enemies on Judgment Day. You are not my family you are my enemy, and today i expose you just how you exposed me. His name is Ahmed Muthana and he is NOT a Muslim. By Allah's definition not mine, ALLAH'S! "And whoever doesnt rule by what Allah sent down, those are they that are unbelievers." (5:44)
